View Systems Announces a Merger / Acquisition with Sigma International Holdings, Inc.

BALTIMORE, MD—August 7, 2007 -- View Systems, Inc. (OTC BB: [VYST.OB](#) - [News](#)), a leading homeland defense solutions provider, announced today that the firm is engaged in an acquisition/merger involving Sigma International Holdings, Inc. (SIH), a premier global security company. The two companies will merge into one entity which will provide security products and services both domestically and internationally.

SIH is at the forefront of homeland security initiatives in the post 9/11 world. SIH offers a select portfolio of premier risk management and security services to corporations, sovereign governments and high net worth private clients. SIH provides unique services that generally exceed the skills and resources of conventional security firms. SIH specializes in the precise planning and swift execution of security operations in the most demanding of circumstances. (www.globalsigma.com)

Major General (Retired) Robert C. Disney, President of SIH, has three decades of experience in leadership, military, intelligence and domestic and international security operations. Prior to founding SIH, he was the President and CEO of US Defense Systems, Inc., as well as the senior security executive for Chase Manhattan Corporation, Drexel Burnham Lambert Inc. and ITT Corporation. Prior to his civilian career, General Disney served with the US Army's elite Special Forces, the "Green Berets." He served as Chief of Staff for the New York Army Guard and is a charter member of the U.S. Secretary of State's Overseas Security Advisory Council and the International Security Management Association. Considered an expert on terrorism, security and special operations, General Disney has appeared on numerous occasions on CNN, NBC, MSNBC, the Fox News Channel and the Discovery Channel and has been quoted extensively in *The New York Times*, *The Washington Post*, *The Los Angeles Times* and *The Wall Street Journal*. Gunther Than, CEO of View Systems, states, "SIH is lead by a team unequaled in domestic and international experience; all of whom are former officers of the world's elite military, diplomatic corps, intelligence services, law enforcement agencies, international special operations and intelligence organizations. I am confident that their expertise and reputation, together with the products and services provided by both companies combined, will be beneficial to our current ongoing client relationships and will aid in the formation of a new and larger client base both here in the United States and internationally. Therefore, I am pleased to announce to our valued investment community the commencement of the merger and acquisition process between View Systems and Sigma International Holdings. Especially synergetic are View Systems International and Sigma International Holdings' subsidiaries in the Gulf countries. The combined entities will have estimated revenues averaging eight to ten million dollars annually."
