

Ambassador's Office

April 6, 2006
200/28-36

Mr. Gunther Than
CEO
View Systems
1550 Caton Center Drive
Baltimore, MD 21227

Dear Mr. Than:

Thank you for providing the Embassy with your security system. It has been in place for some time now, and I speak for all of us here in saying that we feel more secure, given the uncertainty of these times.

It is reassuring to know that your technology is helping to protect the Embassy from random acts of violence and terror.

I look forward to our continued business relationship.

Sincerely,

Naser M. Y. Al Belooshi
Ambassador
